Erratum for "Stability Condition Identification of Rock and Soil Cutting Slopes Based on Soft Computing" by Joaquim Tinoco, A. Gomes Correia, Paulo Cortez, and David G. Toll

Joaquim Tinoco, Ph.D.

Researcher, Institute for Sustainability and Innovation in Structural Engineering, ALGORITMI Research Center, School of Engineering, Univ. of Minho, 4800-058 Guimarães, Portugal (corresponding author). ORCID: https://orcid.org/0000-0001-6824-5221. Email: jtinoco@civil.uminho.pt

A. Gomes Correia

Full Professor, Institute for Sustainability and Innovation in Structural Engineering, School of Engineering, Univ. of Minho, 4800-058 Guimarães, Portugal. Email: agc@civil.uminho.pt

Paulo Cortez

Associate Professor, ALGORITMI Research Center, School of Engineering, Univ. of Minho, 4800-058 Guimarães, Portugal. Email: pcortez@dsi.uminho.pt

David G. Toll

Full Professor, School of Engineering and Computing Sciences, Univ. of Durham, Durham DH1 3LE, UK. Email: d.g.toll@durham.ac.uk

The affiliations of A. Gomes Correia and Paulo Cortez were published with errors introduced during composition. The correct affiliations are provided in this erratum.

ASCE regrets the errors.
