

Erratum

Erratum to “Fuzzy logic speed control of an induction motor”[☆]
[J. Microprocessors Microsyst. 22 (1999) 523–534]

J. Fonseca^{*}, J.L. Afonso, J.S. Martins, C. Couto

Department of Industrial Electronics, Minho University, Largo do Paço, 4709-Braga Codex, Portugal

The publisher regrets that Figs. 7(a) and (b) were omitted in error from the above article, and that Fig. 8 appeared out-

of-sequence from the other figures. Please find below Figs. 7(a) and (b).

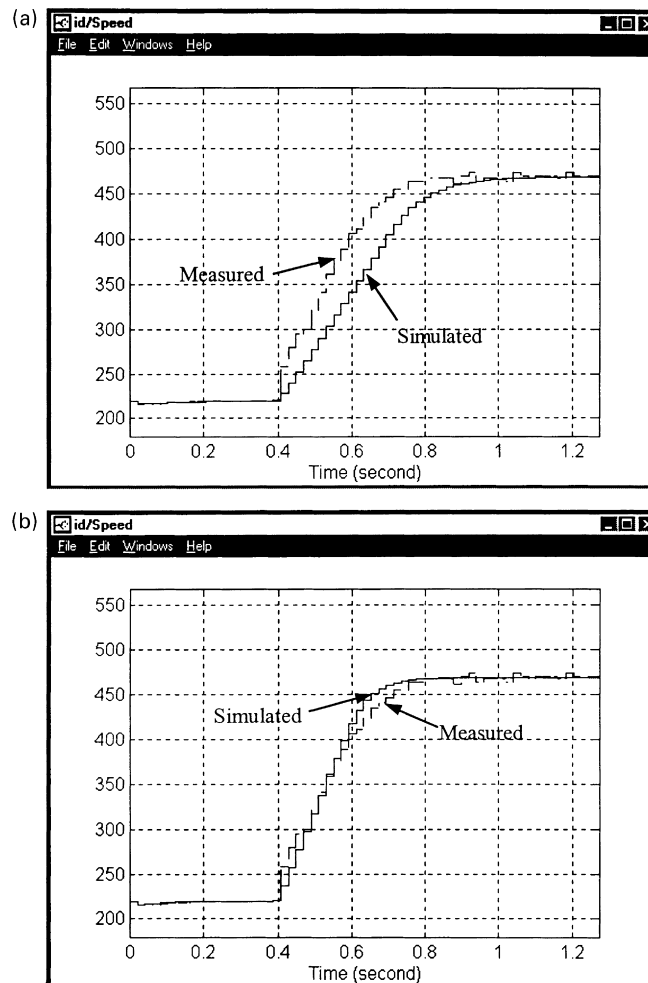

Fig. 7. Motor speed response: (a) measured and simulated data before the identification process; (b) measured and simulated data after the identification process.
