## **APÊNDICE GENEALÓGICO DOS NASCIDOS ENTRE 1583 E 1700**

O apêndice genealógico que se segue diz respeito apenas aos indivíduos nascidos em Angra entre 1583 e 1700 e cujo registo de baptismo consta dos livros paroquiais. Além do nome, da data de nascimento e do código de família (os indivíduos com o mesmo código de família são irmãos) figuram, sempre que são conhecidos, os apelidos, a profissão, as datas de casamento e de óbito, o código do primeiro casamento e outros códigos. Na coluna “outro código” podemos encontrar o código relativo a um 2º e 3º casamentos quando o número de código é seguido de a) ou b) respectivamente. Quando esse número é seguido de c) o código refere-se à família ilegítima a que o indivíduo deu origem.
